YOGA SESSION REPORT

Date: - 19-August-2021 to 25-August -2021

Time: - 6.00 pm to 7.30 pm

'The real source of happiness is inner peace. If our mind is peaceful, we will be happy all the time, regardless of external conditions, but if it is disturbed or troubled in any way, we will never be happy, no matter how good our external conditions may be. External conditions can only make us happy if our mind is peaceful. We can understand this through our own experience. For instance, even if we are in the most beautiful surroundings and have everything we need, the moment we get angry any happiness we may have disappears. This is because anger has destroyed our inner peace. We can see from this that if we want true, lasting happiness we need to develop and maintain a special experience of inner peace. The only way to do this is to train our mind through spiritual practice – gradually reducing and eliminating our negative, disturbed states of mind and replacing them with positive, peaceful states. Eventually, through continuing to improve our inner peace we will experience supreme permanent peace of mind, or "nirvana". Once we have attained nirvana we will be happy throughout our life, and in life after life. We will have solved all our problems and accomplished the true meaning of our human life.'
