Subject- Letter of Gratitude

Respected Sir,

We take this opportunity to show our heartiest gratitude conducting sessions for **Certificate Course on initiation into Civil and Criminal Course for Academic year 2016-17**. It was very helpful for the students.

The need for a course in initiating the students into civil and criminal course was felt because the students should not feel alienated when they start practicing in the court of law. Apart from the compulsory subject of practical training and moot court in the last year the syllabus does not allow the students to have practical experience.

We hope this relationship will further grow in days to come.

Respected Sir,

We take this opportunity to show our heartiest gratitude conducting sessions for **Certificate Course on initiation into Civil and Criminal Course for Academic year 2017-18**. It was very helpful for the students.

The need for a course in initiating the students into civil and criminal course was felt because the students should not feel alienated when they start practicing in the court of law. Apart from the compulsory subject of practical training and moot court in the last year the syllabus does not allow the students to have practical experience.

We hope this relationship will further grow in days to come.

Subject- Letter of Gratitude

Respected Sir,

We take this opportunity to show our heartiest gratitude conducting sessions for **Certificate Course on initiation into Civil and Criminal Course for Academic year 2019-20**. It was very helpful for the students.

The need for a course in initiating the students into civil and criminal course was felt because the students should not feel alienated when they start practicing in the court of law. Apart from the compulsory subject of practical training and moot court in the last year the syllabus does not allow the students to have practical experience.

We hope this relationship will further grow in days to come.
