MESSAGE FROM THE PRINCIPAL

Hello Friends!

It is an honour and a privilege to be the Principal of Modern Law College, the College that stands for excellence and continuously sets the highest standards, the College is an alma mater which all alumni look back to with fond memories.

As rightly said by Dean Roscoe Pound *"Law is experience developed by reason and applied continually to further experience "*, Thus we at **Modern Law College** try to meet this saying by imparting the experience of giving logical reasoning and thus understaing the philosophy of the law by the students.

In my opinion an education institute is not just about bricks, mortar & concrete, but about building character, enriching minds & about enriching experiences that lasts a life time. Life is not a set of instructions but is a series of experiences & learning process. P.E.S Modern law College is organising the 11th Shankararo Kanitkar National Moot Court Competition on 14th January 2017. We have several colleges participating in it. My best wishes are with all the team and hope they do excel in the future.

I hope, we will do our best for the progress of the college and the students under the able guidance of our management and our well wishers.

About Shankarrao Kanitkar National Level Moot Court

By battling and arguing, you might succeed in confounding your listener but your victory will be in vain because you will never obtain the sincere agreement of your adversary- Franklin Roosevelt, President, United States of America. As rightly said by Franklin Roosevelt, argument must not be to defeat your opponent but to obtain his agreement, and what better way than by practice.

Shankarrao Kanitkar National Level Moot Court Competition is an annual moot competition hosted by the Progressive Education Society's **Modern Law College**, Ganeshkhind, Pune-16. This Competition has been established in the name of our founder member of society Late Shri. Shankarrao Kanitkar, a visionary in the field of education. This competition is intended to be a platform for law students studying in all over India. Here these budding students' advocates can match their advocacy skills with each other.

The special feature of this competition is that it is not confined to any subject or topic. We at Modern Law College believe and give a varied flavour of different subjects and legal intricacies to the law students. Thus we help in overall understanding and development of a law student. It is the aspiration of the college to undertake the issues that are relevant in the changing society and thus we draft the moot problem accordingly.

The 11th Shankarrao Kanitkar National Level Moot Competition was held on 14th January, 2017. The problem was on the lines of Judicial Accountability. The problem involved **Striking down of post of governor under the Constitution and removal of that post.** As the case had many debates and deliberations on this point special attention is required to be added, hence moot court competition was organized.

MOOT PROBLEM (Hypothetical)

Mr. Vikas Gite, a renowned mass leader and popular leader of Indiana Janata Party who also had criminal background (also former Deputy CM of state of Dakshin Pradesh) lost a Lok Sabha election to Mr. Anmol Rokade. On 7th July 2016, Ms. Shashikala, sister of Mr. Anmol Rokade, was found dead at the farm house of Mr. Vikas Gite. A case of murder was registered on the same day and charge sheet was filed on 17th August, 2016 against Mr. Vikas Gite. Mr. Vikas Gite in a press interview claimed that, he had no role to play in this incident and raised counter allegations about wrongful practices at the election campaign.

While the Inquiry was going on, considering the wide mass and political support (15 MLA's were supporting Mr. Vikas Gite), Central Govt. (coalition govt. lead by IJP) on 26th Sept. 2016 appointed Mr. Vikas Gite as Governor of State of Maharajya. By virtue of immunities under the Constitution of Indiana, all cases and inquiries against Mr. Vikas Gite were suspended. Taking in to consideration the misuse of boundless powers relating to appointment and term of Governor under constitution (specially Article 156 (1)), and limited role of Governor in modern democratic setup, MLRC, a private organisation filed a petition in SC of Indiana for striking down the provisions relating to the Governor under the Constitution of Indiana and directing the Government for removal of post of Governor.

Note: The laws of Indiana are in parity with Indian Law Problem and names in the same are hypothetical and in case of resemblance, it is incidental and not intentional.

ABOUT THE WEBINAR

The Constitution of every nation is Supreme Law of land which upholds the rights and duties of individual. The aim of having a declaration of fundamental rights in the Constitution is to prevent possible danger due to the State action against violation of fundamental rights. Recognition of Fundamental Rights under the Constitution provides a restraint on the power of the government to interfere with the peoples' basic rights arbitrarily. When rights and freedoms are placed in the Constitution they become the part of the Supreme Law. The Fundamental Rights are included in the Constitution because they are considered essential for the development of individuals with human dignity. In this 21st century, the ambit of fundamental rights is expanding enormously. Comparative Constitutional Law is a newly energized field in the early 21st century. Never before has the field had such a broad range of interdisciplinary interest, with lawyers, sociologists and even economists making contributions to our collective understanding of how constitutions are formed and how they operate and protect fundamental rights. The need for the comparative method has become inevitable to study the very existence of fundamental rights. In current times when the society is fast changing, we often see the judiciary playing a pivotal role in the development and protection of the rights and duties enshrined under the public law documents.

Report on CID Visit

Venue: - CID Department, Ganeshkhind, Pune.

Date and Time: - 4th and 6th January 2018, 11.00 a.m.

Introduction: - From January 02 to January 06, 2018, Modern Law College hosted a visit to the Crime Investigation Department (hereafter "the Department"). The visit was organised by the College in response to a letter from the CID Department dated January 29, 2018. The visit was prompted by the Department's commemoration of 'Raising Day,' which took place from January 2 through January 8, 2018. The major goal of the event was to foster communication between the police and the general people.

Working of CID:-

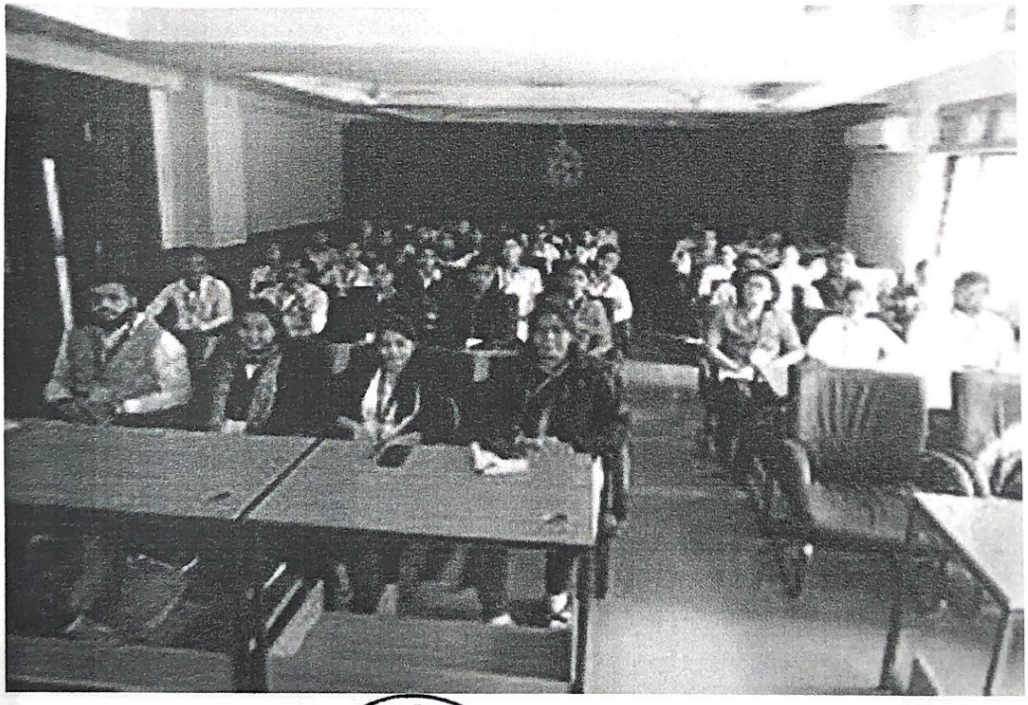

The Maharashtra Department is based in Pune, on Pashan Road, immediately close to the College. The goal of the tour was to have a better understanding of the Department's operations and fingerprint analysis.

The Department's goal is to make Maharashtra the safest state in the country. The mantra that guides them is "finding wrong to discover the truth."

The Maharashtra State Police's investigating wing is the Department. The Department's and local police departments use the same investigating process. The Department, on the other hand, only gets involved when the investigation is difficult or involves interstate/ inter-district issues.
