Nor Mrs Trupti is actively interested to do any household Chores or in participating in any family functions and is defaming Mr Badhe. Hence this divorce Counselling Process u/s 13 (1) ia Hindu marriage Act 1955.

1. That, the marriage between Mrs Trupti Parichay Badhe and Mr Parichay Badhe was solemnized on 12.07.2016 at Rajput Banquet hall and gardens Karnala Road Sangli according to Hindu Rites and rituals. The expenses for the said marriage were borne by both the parties. No child was born out of the ~~said~~ wedlock.

2. That, Mr. Badhe most humbly states that marriage is a union / meeting of 2 minds and families it is a very Sacred Phenonmena but ever since he and Mrs Trupti got married Mr. Badhe never experienced such meeting of minds and families neither there established any kind of relation between him & and Mrs Trupti. Therefore marriage was just a ritual for name sake and not a Sacred Phenomena.

3. That, Mr Badhe further states that Mrs Trupti never tried to mix up and adjust with his relatives and family members and accept them as her own. It will not.

be an exhagrated Statement to say that She was not willing to do so. Due to all the above circumstances mr Badhe Suffered physical and mental pain, and agony.

4. That, Mrs Trupti never Cooked food or has willing done any household Chores nor was acquainted with or followed any traditions, rituals of matrimonial home. Not only this but also even after repeatedly telling her she used to wear short dresses and flaunted the same. On repeated requests of mr Badhe to d not doing things which will Cause trauble and pain to him and his family members mrs trupti Continued to behave the same. Due to such kind of behaviar Mr Badhe and family suffered mental and physical pain and agony. and abuse.

5 Mr Badhe further states that, Mrs trupti's behaviar after marriage was not ordinary and normal. She never willingly went ~~out~~ for outings or dinner dates with mr Badhe nor participated in any family functions or

maintained any kind of good Contacts with relatives of Mr Badhe. Mrs Trupti never let Mr Badhe even meet his Sister ~~e~~ Staying at Pune. This all shows lonely nature of Mrs Trupti

6 That, Mrs trupti was very lethargic and unwilling to do not only household Chores but also about cleaning and washing her own Inner garments and always asked Mr Badhe to purchase a washing machine to do the same. ~~She~~ Spent Mrs trupti Spent all her time just in Chating and did not actively did any household Chores. Even while leaving for classes in the morning her mother in Law used to pack her tiffin and she was again lethargic and unwillling to do that too. her mother in law tried to Convince her many times but all in vain. . . - Due all these things Mr Badhe and family suffered from Physical, mental and Economic Abuse time and again repeatedly.

7. That ~~the~~ Mr Badhe ~~Stat~~ most humbly states that:, Mrs Trupti used to stand aloof from the family members and same reflected in her behaviour along with being aloof and detached she was very much irresponsible. She never provided details of her class like address, timings or contact details to her husband or his family. and upon asking always avoided to provide the same by giving ~~diff~~ various different reasons. Even after finishing the classes Mrs. Trupti never had a fix time to return home and everyday used to come home at different timings. On asking for such kind of wierd behaviour ~~She~~ she used to avoid giving answers.

8. That, Mrs Trupti's behaviour was aloof as well as Insane. If any family member went to her bedroom to use bathroom She became Suspicious and followed them to see what they did. This shows

that Mrs trupti had no trust on her family members. Due to said acts of Mrs Trupti mr Badhe and family was subjected to and suffered physical and mental abuse again and again.

9. Mr Badhe further states that, Mrs trupti never happily lived happily nor she had good communication with family members She always used to speak in very vulgar language and rude manner She did not knew how to respect elders of the family. She Even she never spoke to her husband properly with love and affection. This made her behaviour timid and rude. day by day.

10. That, Mrs Trupti never took care of her husband nor asked him how he spent his day. Instead used to have fights on trifling issues with the tired husband. at midnight. She even used to she woke up her inlaws at midnight and disturb them a lot. Even after repeated requests to discuss

in the morning She never understood and Continued to behave the same.

This all again Caused immense mental pain and agony to Mr Badhe and family.

11. Mr Badhe further states that, Mrs Trupti never had proper sexual relations nor She gave him or was willing to give him any sexual pleasure or happiness expected from a wife. If Mr Badhe tried to have Sexual relations She used to Scream and Shout. Mrs. trupti used to repeatedly say that She did'nt wanted to get married but her father forced her for the marriage and therefore She was not happy.

12 That, Mrs trupti has never performed any duties nor took any responsibilities expected to be performed or taken as a wife or as a daughter in law also never fulfilled any marital obligations Mrs trupti never tried to live her married life happily Instead was lost in her own world of thoughts and used to say that She was not Interested and did'nt wanted to live in her matrimonial home

even after telling her to change the behaviour no change was observed all was in vain. this all caused mental agony to Mr Badhe and family. Mr. Badhe started feeling that their marriage was a big mistake. he even tried to convince mrs trupti that marriage was an arrange marriage and was finalized only after ~~you~~ she gave her consent for the same. To this mrs trupti rudely replied that she never liked this proposal and was forced therefore will not accept it now or in future willingly and happily.

It is further stated that on 21/02/2016 Mr Badhe was travelling to banglore for his office work on that day instead of helping him pack his bags and other things she had a fight him and afterwards without telling anyone she left and went to her Parental home.

On 29/01/2017 She told her father to bring all her luggage, clothes. shoes and other things. She also provided written receipt

of the same. On enquiring by mr Badhe it came to his knowledge that Mrs Trupti was staying at her house at Wakad Pune and was working at tech mahindra, Vimanagar and recieving a salary of ₹ 25000 (Rs. twenty five thousand ~~only~~)

Mrs trupti tried to threaten mr ~~Bhadte~~ Badhe to by saying that her father had very high profile contacts. She was also very proud of wealth and money of her father. This ~~GH~~ reflected in every action of mrs trupti

Mr Badhe stated that Mrs trupti due to her behaviour, vulgar language, lifestyle, hatered for him ~~and~~ and, trouble, pain caused to his family since very first day of marriage and also due to quarrelsome nature has spoiled and left undone all his expectations from a wife. further as mrs Trupti has not fulfilled any expectation of a wife nor has accepted mr Badhe family as her own nor took good care of Mr Badhe as a wife nor took any responsibilities of a daughter in law. Instead behaved in a Cruel, Inhuman manner and created terror and also not fulfilled any marital, legal, moral

to live together.

Our counsellor Adv. Sandeep Mahale heard to his grievances and assured him for further settlement.
