About Modern Law College:

P. E. Society's **Modern Law College** is located in the serene locality of Ganeshkhind, Pune in theclose proximity with India's one of the most premier legal institution that is Savitribai Phule Pune University (Formerly University of Pune). The Pune City is also known as **Oxford of the East**.

The College is a proud part of one of the most prestigious and eminent networks of educational institution that is Progressive Education Society, which was established in the year **1934** by Late ShankarraoKanitkar Guruji. The society which was started with one school now has more than 60 Prominent Educational Institution ranging from KG to PHD.

With a view to impart the Quality Legal Education which is the ***'sine qua nan'*** for the development and progress of any society, the Progressive Education Society established Modern Law College in the year **2003**.The Legal System in our country is based on the principle and presumption that all the citizens are aware of law and are expected to follow the same, in its letter and spirit.The strength of legal education is also in the maxim ***'Lex FacitRegem'***, which means 'law makes the king'. If law is stronger than the king himself, the importance of law and legal education in the life of a common man, is beyond any imagination. The Progressive Education Society with the vision to provide quality based legal education has established Modern Law College.

The Modern Law College since its inception has been active in the fields of social activities. Along with imparting Quality Legal Education, the college has always taken into consideration the importance and significance of our social Responsibilities towards society. The College has always taken various initiatives to reach to the society and do its bit for the development and progress of it.

About NSS:

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service. Today, NSS has more than 3.2 million student volunteers on its roll spread over 298 Universities and 42 (+2) Senior Secondary Councils and Directorate of Vocational Education all over the country. From its inception, more than 3.75 crores students from Universities, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

NSS volunteers generally work with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic year. As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch

with the community. Hence, it is of vital importance that a particular village/slum is selected for implementation of NSS programmes. As the NSS volunteer is to live with the members of the community and learn from their experience during his/her tenure in NSS, the village/slum should be carefully selected for adoption by NSS unit.

The overall aim of National Service Scheme as envisaged is to give an extension dimension to the higher education system and orient the student youth to communityservice while they are studying in educational institution. The reason for the formulation of this objective is the general realization that the college and 10 + 2 level students have tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. The educated youth who are, expected to take the reins of administration in future are found to be unaware of the problems of the village/ slum community and, in certain cases are indifferent towards their needs and problems. Therefore, it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums. It is felt that their interaction with common villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

Objectives:

The broad objectives of NSS are to: -

1. Understand the community in which they work;
2. Understand themselves in relation to their community;
3. Identify the needs and problems of the community and involve them in problem solving process;
4. Develop among themselves a sense of social and civic responsibility;
5. Utilize their knowledge in finding practical problems;
6. Gain skills in mobilizing community participation;
7. Develop competence required for group living and sharing ofresponsibilities;
8. Acquire leadership qualities and democratic attitude;
9. Develop capacity to meet emergence and natural disasters and
10. Practice national integration and social harmony.

The Motto:

The motto or watchword of the National Service Scheme is **'NOT ME BUT YOU'**. It is very deep and suggestive and is keeping with the spirit of service for others. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of other person's point of view and also to show consideration.

The Manual is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life; it stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

Yerwada Jail visit 2019

Acknowledgment

We, the students of LLB 3rd year, would like to pay our sincere gratitude towards our Prof. Akshay Ugale, Prof. Abhijeet Dhere, Prof. Prajakta Pimpalshende for arranging our visit to Yerwada Jail to understand the jail organization and its functioning.

We are also thankful to Police Officer Dayaneshwar Kharat for making us understand things in a much practical way.

Purpose of the visit

The primary purpose of the visit was to study the role of Yerwada Jail in the treatment of prisoners in the framework of rehabilitative and reformative activities given to the prisoners, the responsibility of the jail authorities towards prisoners, the behaviour of the inmates of the jail.

Physical Observation

Our visit timing was fixed at 11.30 am on 23rd Nov 2019. We were instructed not to carry any gadgets or bags and only take our ID proofs inside the jail. We went to the main Yerwada Jail, where male prisoners are kept.

We were first guided to the place where the famous Poona Pact was signed between Dr. Ambedkar and Gandhiji in 1932. That area has been conserved. It also showcases Gandhiji's Charkha.

Then we were escorted to the kitchen area where the prisoners were preparing lunch for themselves. As we entered the kitchen, we were invited to taste the food that the prisoners had just prepared. We took a round of the kitchen where we saw a couple of big machines preparing flour dough in good quantity. Then we saw the prisoners standing in a line making rotis and vegetables.

Then we were escorted to the library, which was closed on that day. However, the library was rich in books, journals and magazines which were in different languages.

The police officer then briefed us about the daily activities of the inmates: -

Prisoners are engaged in various activities. The prison is divided into various sections, and inmates are allotted tasks like cooking, cleaning, carpenter, FM Radio, stitching, etc. Every prisoner wakes up at 6.00 am. The work is allotted only to convicts and not to under-trial prisoners. The salary of the prisoners is divided into three categories; Unskilled labor, Semi-skilled Labour, Skilled Labour at the rate of 30 rupees – 61 rupees per day.

After that, the Police officer cleared our queries and doubts in the question-answer session.

We discussed:

What is the vision of the prison department?

The prisons nowadays are styled as a correctional institution rather than as an institution for punishment. With the evolution of society and the increasing importance of human rights, we have moved to an era of reformation from the era of retribution.

What is the quantity of the food provided to the prisoners?

It depends on the type of work the prisoners do. They usually are provided 450gms -500gms of food.

Whether Home cooked food is allowed?

It is no longer allowed for the family to bring food for inmates. It is allowed only on the order of the court subject to examination and rules. On bringing the approved items for a prisoner, the quantity of the food is measured; only 500grms of food is allowed, and the family member tests the meal in front of the officer in charge before it is provided to the inmate.

What are the premises of the jail?

The jail is spread over around 540 acres for administration premises where agriculture and other activities are carried out.

PRINCIPAL
P. E. Society's
Modern Law
Ganeshkhind,

Are Labour Laws applicable?

No, the labour laws are not applicable because they are prisoners.

Whether festivals are celebrated?

Festivals like Ganesh Chaturthi, Diwali, etc., are celebrated to improve the mental health of the prisoners.

Has anyone tried to escape jail premises?

The murder convict, who was serving a life term at the jail, procured the pipes, hook, and blade from the jail industry, where he was assigned the task of making furniture escaped from Yerwada prison.

Are there any education facilities for inmates?

Prison education is widely appreciated because it adds to their reformation. Education makes them better people. IGNOU (Indira Gandhi National Open University) and YCM are the universities that provide books and other study material to the inmates. The government bears expenditure on fees for IGNOU/YCM.

Why can students not access the other premises of the prison?

One of the convicts had filed a writ petition stating that the prisoners behind bars are not the zoo's animals. The court allowed the petition.

Are Medical facilities provided?

The Medical facilities are provided in the jail premises, but for the surgery, the jail authorities are depended on Sassoon Hospital.

We were escorted to FM Radio Room, where the songs were aired to the entire jail premises through this room. This was done to divert the minds of the inmates from the wrong ideas. The operator of this room was a prison inmate. Other inmates can request him to play a song of their choice.

This was indeed a great visit as we visited for the first time. Naturally, the perception of the jail was very different when we entered the premises. But whole perception and opinion about the prisoners, the authorities, and the prison administration changed after the visit. Custody, care, and treatment are the three main functions of the modern prison organization.
