16th Shankarrao Kanitkar National Moot Court Competition
22nd January 2022

REPORT

P.E.S. Modern Law College, Pune Shankarrao Kanitkar National Moot Court Competition is an annual moot competition conducted by the Progressive Education Society's Modern Law College, Ganeshkhind, Pune-16. This competition has been established in the name of our founder member of the society Late Shri. Shankarrao Kanitkar, a visionary in the field of education. This competition is intended to be a platform for law students studying all over the country. Here, these budding student advocates can match their advocacy skills with each other.

The 16th Shankarrao Kanitkar National Moot Competition was held on 22nd January, 2022. The problem dealt with farm laws which the government introduced and passed but then later withdrawn because of pressure groups and protests. As the case had many debates and deliberations on this point, special attention was required; hence the moot court competition was organized on this point.

Moot problem-

1. Hind Rashtra is a Democratic Republic country. Hind Rashtra has written Constitution identical to the Constitution of India 1950, having significant features like Social Justice, Federalism, Independent Judiciary, Separation of powers. The laws in Hind Rashtra are the same as in the Union of India. Hind Rashtra is a country with agriculture as the major occupation of its people. After independence in 1947, Hind Rashtra faced challenges in the agricultural sector.
2. In 1955 The Essential Commodities Act was passed to ensure corrupt traders would not hoard supplies from the consumer. The government took a view that structure of the agricultural sector was in need to reform, stating that there is need to undertake market reforms of decades-old and restricted Agriculture Produce and Marketing Committee (APMC) architecture.
3. The Government in 2020 introduced three bills and were passed in both the Houses of Parliament unceremoniously
 - a. Farmers Produce Trade and Commerce (Promotion and Facilitation) Act 2020
 - b. Farmers (Empowerment and Protection) Agreement on Price Assurance and Farm Services Act 2020
 - c. Essential Commodities (Amendment) Act 2020
4. The Act garnered bitter opposition in the Parliament. Various farmer organizations have also been protesting the Act across the country. It was apprehended by the protestors that these laws would lead to privatization of the agriculture sector. Farmers of Hind Rashtra have been protesting against these three Farm Laws and these Laws are described as 'Anti-farm Laws' by many Farmer Unions and politicians from the opposition who say it would leave farmers at the mercy of Corporates. Farmers also demanded the creation of Minimum Support Price (MSP) Bill to ensure that corporates cannot control the prices.
5. One of the states of Hind Rashtra, named as Maha Rajya filed a petition under Article 131 challenging constitutionality of these Farm Laws. These laws are challenged on the ground of violation of the principle of federalism which is the basic structure of the Constitution of Hind Rashtra.
