ABOUT THE SEMINAR

This International Seminar aims to comprehensively address challenges and opportunities in outer space exploration. With an interdisciplinary approach, it examines the current legal framework, focusing on refining policies to meet evolving global needs. The event serves as a platform for crafting ethical and legal frameworks, ensuring responsible and sustainable practices in the ever-evolving landscape of outer space activities.

The Seminar is open to **legal professionals, policymakers, academics, researchers, and students** with a keen interest in the legal and policy dimensions of outer space activities. It offers a unique opportunity to engage in insightful discussions, gain a comprehensive understanding of current issues, and contribute to the discourse surrounding the global governance of outer space.
